

## Environmental Excellence Awards 2017

On June 19, 2018, Charlotte Water celebrated permitted industrial users at its 21st annual Environmental Excellence Awards. Charlotte Water uses these awards to recognize all the industries who excel in wastewater permit compliance. The Environmental Excellence Awards for 2017 recognized 4 Platinum, 13 Gold, and 10 Silver Award recipients. You can also find the recipients published in the Charlotte Business Journal on June 16, 2018.
